## 'Celebrate Smart' This Holiday Season

All members of the Stuttgart military community are reminded to make safety an integral part of all plans for the holiday season. From force protection measures to automotive safety, take the necessary steps to make sure that all your holiday memories are wonderful ones.

A primary safety concern over the holidays is the threat posed by drinking and driving. In the United States alone, more than 17,000 people were killed in alcohol-related crashes last year. Don't let the combination of holiday parties and winter roads lure you into becoming a tragic statistic:

- Don't even think about getting behind the wheel of your vehicle if you've been out drinking.
- Call a taxi, take a train or bus, or get a sober friend or family member to get you.
- If you can't get a ride, just stay where you are and sleep it off until you are sober.
- Remember: Friends don't let friends drive drunk. Never let a friend leave your sight if you think he or she is about to drive while impaired - if necessary, take his or her car keys.

Also, the 6th ASG Provost Marshal's "Safe Ride Program" offers free transportation from installation to installation in the Stuttgart area. To arrange for a safe ride call 430-5261/civ. 0711-680-5261
